

THE *Gala*
for Southcoast Health

FRIDAY, MAY 31ST | 6:30 PM
BELLE MER, NEWPORT, RI

Southcoast Health, the only not-for-profit health care system in this region, links together three nonprofit community hospitals — Charlton Memorial in Fall River, St. Luke's in New Bedford and Tobey in Wareham. The hospitals have been united since 1996 as part of Southcoast Health System, one of the largest and fastest growing health systems in Massachusetts.

As a tribute to the many successes Southcoast has seen, this celebration gala will gather our most loyal
