

# DONATE YOUR NEW BABY ITEMS

## SUPPORT NEW BEGINNINGS!

### Southcoast Ambassadors

are collecting items for Baby Baskets that will be provided to the New Beginnings Program.

Donations of new items will be accepted in large bins located at the Charlton Memorial and St. Luke's hospital lobbies

### We are always in need of:

- + Outfits and sleepers 0-3 and 3-6 month sizes (seasonal appropriate)
- + Packages of newborn diapers
- + Baby wipes (non-scented)
- + Baby blankets
- + Baby bath towels and washcloths
- + Bibs and baby bandanas
- + Soft newborn baby toys
- + Hats, coats, warm sweaters

### New Beginnings Program

The New Beginnings Program provides support to opiate exposed newborns and their mothers with the goal of improving long-term outcomes. More than 87 moms were referred to the program during FY20.

In response to the national epidemic of opioid abuse and addiction and its impact on the health of our most vulnerable lives, Southcoast Health has operated the New Beginnings Program since 2016 to improve outcomes for substance exposed newborns (SEN) and their caregivers.
