Our Community

Southcoast Health provides clinical excellence and a uniquely caring experience to every life we touch in southeastern Massachusetts and Rhode Island. We are proud to serve as our community's only not-for-profit health system and our region's largest employer. We invest and reinvest in our community, always seeking to provide our patients with the best services, programs, providers, technologies and facilities. We collaborate with local leaders and organizations to promote and nurture a culture of health and wellness. With an unwavering commitment to our patients, communities and all those we serve, we deliver on our promise — Exceptional Care from People Who Care.
