43 High Street, Wareham, MA

*Meet outside front entrances*

### Calling all chalk artists to join Southcoast Health's Community Chalk Artists event!

Southcoast Health is inviting local chalk artists to share their talents and artistic gifts. In recognition of Pride Month, the theme for the event is "The Path to Understanding".

Whether you're an expert or a beginner, we hope you'll join us and share your creativity with our community!

### Join us even if you're not a chalk artist yourself!

Not an artist? Not a problem! This is a community event and is open to the public, so celebrate your pride and find your joy as part of the audience for this special recognition of Pride Month!

*\*Space is limited to 25 artists for this event.*

For more information or to request an Artist's spot, please contact Chuck Cusson (CussonC@southcoast.org) or Katelyn Ferreira (FerreiraKB@southcoast.org).
