How to Update Your Appointment Reminder Settings

1. Login into MyChart
2. Click Menu in the top left:

3. Scroll all the way down, until you find Account settings

4. Click on Communication Preference

5. Communication Preferences page
6. Click on Appointments

7. Appointments will expand the field:

8. Click on Advanced settings:

9. If text messages are turned off and you’d like them back on, follow the instructions in the description.
